Updated 2/3/2020

Tentative Away Games dates and locations- Buses provided for players unless noted. For in town and Ocala away games, buses are NOT provided. **School board policy states, “Players are *not* to drive themselves to games”.**

Players will be checked out early on away games that require bus transportation. Tentative departure times and return times are listed below.

Coaches expect that players will ride back with the team on buses, if you wish to ***check out*** your player from away games, please email or speak with the coaches in advance of the game. Coaches do not have a problem with check out, but do not want to be looking for a player who has left with a parent without notice.

Games as Events will be posted on FB under Buchholz High School Lacrosse
If you have any questions, please email: buchholzlx@gmail.com
